

Open Positions: Landscape Architects, Architects, or Landscape Designers with 1 – 5 years' Experience

Designers

Locations: Seattle, WA and Washington, DC

GGN is currently seeking design professionals with a passion for practice, problem-solving, and discovery, from concept through detailing with one-to-five years of experience in landscape architecture to fill a Designer position.

Candidates must be dedicated, thoughtful, and creative problem-solvers who can demonstrate a well-rounded background participating in all phases of large-scale/complicated projects. Necessary skills and experiences include a willingness and ability to contribute effectively in collaborative design environments, and the ability to draw fluently and precisely – digitally and by hand. Fluency in Microsoft Office applications and AutoCAD is required. Proficiency with Revit, Rhino/3D, Grasshopper, and the Adobe Creative Suite is highly beneficial. Successful candidates must be fluent in English – written and spoken.

We are looking to hire immediately. Please submit all materials via email only. Please include Designer and Seattle or Washington, DC in the subject line, along with a resume, letter of interest, list of references, and one 7MB maximum portfolio/project examples PDF to the attention of Grant Stewart at Jobs@ggnltd.com. Please do not phone.
