

## **OVERVIEW**

CHA brings outstanding technical and design capabilities to address all sports facility needs for colleges, secondary schools, and municipalities. From Division I athletics to large municipal field venues, we bring an exceptional national perspective and experience for your indoor and outdoor needs. Our engineers, architects, planners, turf specialists, and project managers skillfully integrate project schedules and budgets into the design process. Our approach has produced award-winning results for high schools, colleges and professional sports teams across the United States.

CHA Consulting, Inc. is currently seeking a **Sports Designer** for our **Colonie, NY** or **Richmond, VA** offices.

CHA's sports group is a team of dedicated architects, landscape architects and engineers practicing across the United States. Our sports specialists blend high-quality design with a modern perspective to create award-winning solutions that generate the most value for athletes, owners, and venue users.

We are seeking talented candidates to fulfill key roles within our growing sports practice. If you have a passion for sports design we are ready to help you bring that affection to life.
