

Waterstreet Studio, a regional landscape architecture and environmental design firm with offices in Richmond and Charlottesville, is currently seeking talented landscape architects with 4+ years of experience in design, planning and/or construction documentation.

Work ranges from Urban Design/Planning to Farm, Estate, Residential Design; from Commercial and Institutional to Hospitality and Conservation Development projects. Recent and ongoing projects include VCU Master Plan, Richmond's Low Line Park, Virginia Museum of Fine Arts, McIntire Botanical Garden, Woolen Mills Redevelopment, Arlington County Schools and UVA's Darden Inn.

Our team is client focused, growth oriented and known for our creative and technical competencies. As we expand, we are looking to fill an immediate vacancy in the Charlottesville office. Candidates must be proficient in AutoCAD and the Adobe creative suite package.

We are looking for self-starters who are eager to learn, willing to work collaboratively and inspired by thoughtful design.

Please submit cover letter with salary expectation, resume with references and portfolio. Qualified candidates will be contacted for interviews.
